## TECHNICAL SPECIFICATIONS

## FOOD WASTE CADDY

**9L****FEATURES**

- A slightly larger offering in our range of food waste caddies, this sturdy and compact caddy features a generous 9L capacity whilst still retaining a slimline, convenient size.
- Features a practical carrying handle making it easy to clean and facilitates emptying with minimal contact with your food waste.
- The secure closing lid ensures that minimal odours escape and helps to prevent fruit flies gathering around and inside the bin.

**SPECIFICATIONS**

- Odour proof, secure closing lid.
- Sturdy carrying handle.
- Generous 9L Capacity.
- Compact size.
